Clean Wood Waste, Brush and Yard Waste Policies

* **Brush:** Woody prunings and debris from trees, shrubs and bushes - 12 inches or less in diameter and and less than 4 ft in length.

** **Clean Wood** - Construction wood free of paint or stain, non pressure treated and no glue. No plywood or pressboard

Leaves, grass clippings and other compostables are accepted at no extra charge.

All vehicles will be weighed and charged at the material rate per ton if the weight exceeds the minimum by weight or by volume. Landfill personnel may use their judgment when determining which loads must be weighed, as well as qualifying the type of material.

Please note: We only accept cash or check at the Transfer Station.

Please attach the sticker on the back of your inside rear view mirror so that it can be seen from the front of the car. It must be attached, not dangling from the mirror or loose on the dashboard.

This sticker is issued for one, and only one vehicle.

Households/Contractors that wish to use more than one vehicle for refuse/recycling may purchase a second sticker.

The vehicle sticker fee will help cover the cost of many services at the recycling center : the recycling drop-off (paper, bottles & cans), the "take it or leave it"(small tag sale items), the book shed, leaves and grass clippings, automotive waste oil, auto batteries, nickel cadmium batteries, the Goodwill box, and House Hazardous Waste Collection. All other items must paid for with cash or check when you drop them off at the Transfer Station, see fee schedule.
